

The 10 most-tested topics in ICT 0417

Every real past-paper question in our library, tagged to its syllabus topic. 3,553 questions analysed.

36.8%

These 10 topics alone account for 36.8% of every past-paper question in ICT 0417 — out of 76 topics in the whole syllabus.

Percentages are each topic's share of 3,553 genuine Cambridge past-paper questions in the PapaMarks library — a strong proxy for how often each area is examined. Exact weightings vary by series; use this to prioritise revision, not as a guarantee.
