

The 10 most-tested topics in Business 0450

Every real past-paper question in our library, tagged to its syllabus topic. 2,747 questions analysed.

23.9%

These 10 topics alone account for 23.9% of every past-paper question in Business 0450 — out of 91 topics in the whole syllabus.

Percentages are each topic's share of 2,747 genuine Cambridge past-paper questions in the PapaMarks library — a strong proxy for how often each area is examined. Exact weightings vary by series; use this to prioritise revision, not as a guarantee.
