

The 10 most-tested topics in Economics 0455

Every real past-paper question in our library, tagged to its syllabus topic. 7,312 questions analysed.

27.3%

These 10 topics alone account for **27.3% of every past-paper question** in Economics 0455 — out of **78 topics** in the whole syllabus.

Percentages are each topic's share of **7,312 genuine Cambridge past-paper questions** in the PapaMarks library — a strong proxy for how often each area is examined. Exact weightings vary by series; use this to prioritise revision, not as a guarantee.
